Blessed Community is up and worshipping. Our first service (gathering? meeting?) was held last Sunday. We had a few bumps along the way, yet it was uplifting to see and feel the Spirit enter the proceedings and guide us to the really important things, like engaged worship and a supportive community.

Need Prayer?

We now have a prayer wall on our website www.blessedcommunity.church. On the home page click on "Need Prayer?" and you can submit prayer requests and respond to prayers from our community.

This Week

We'll be embarking on a journey through the early pages of Acts, as Peter baptizes three thousand or so new disciples. For the next 4 weeks we'll be looking at the ways the earliest apostles took to heart Jesus' comment from John 14 that we "will do greater works than these."

And kids—we haven't forgotten you!

The curriculum you love will be waiting, along with the music, the blessing balm, and the Treasure Box! Your Bible Buddy Radar will be waiting for you!
